Elite 200 - ready to go

€3,085.50

The Elite 200 cm is a high-quality outdoor hot tub, perfect for spa relaxation at home, at your cottage, or on the terrace. This hot tub with an integrated wood-fired stove and hydromassage system delivers a genuine warm-bath experience outdoors, all year round. The hot tub is ready for use and immediate delivery.

Included:

- Inner diameter 180 cm, outer diameter 200 cm
- Interior color – white
- Insulated inside with polyurethane foam
- Integrated wood-fired stove (ANSI 304 stainless steel, 2 m chimney with cover)
- Insulated lid, black
- Exterior finish – impregnated spruce
- Entry steps
- 1-inch water drain valve
- Spa system: 1.1 kW hydromassage pump with 8 jets
- LED lighting – 1 pc.

A hot tub with a wood-fired stove and hydromassage is an excellent choice for anyone looking for a durable, functional, and stylish solution for outdoor relaxation or a spa area in a garden, private residence, or holiday resort.
