We manufacture bespoke products for every customer, so you can customise the accessories

NEW Monaco with an integrated V4A 35KW heater

Acrylic is much more durable, with no risk of osmosis! Scratches are barely visible too, as the colour runs right through the material.

- Scratch resistance

- Durability

- UV resistance

- No osmosis

Everything you need!!!

Water massage with 24 jets Stainless steel , 2 powerful pumps!!!

Air massage with 12 jets Stainless steel

3 large LEDs
